

“Washington Dental Service has a renewal rate of 98%.”

“98%!”

“We’re working hard on the other 2%.”

Why do employers stay with Washington Dental Service? For starters, we have the largest nationwide network of dentists. So chances are, members can get the highest benefit levels and the lowest copays from their current dentist. Our plans also stress preventive care, which means employers may save on long-term healthcare costs. All this, plus stable rates—year in and year out. Good people, good plans, good health. That’s Washington Dental Service.
