

**Delta Dental – the nation’s largest and most experienced dental benefits provider – is the perfect partner in helping you achieve optimal overall health.**

Keeping your smile healthy is not just about appearance – oral health is a critical component of overall health. That’s why our dental plans are designed to save you money and make it easy to get care.

Delta Dental negotiates lower fees with our network of approximately 156,000 dentists, so you pay less. And most plans cover routine preventive care such as exams, cleanings, and X-rays at 100%. Our time-saving tools make it easy to find a dentist, estimate costs, and manage your plan.

**If you are looking for a new plan for you and your family, transitioning from an employer’s dental plan, or about to retire, Delta Dental has a solution for you. Learn more about Delta Dental plans in your state.**
