## DENTAL PLAN A BENEFIT SUMMARY

Plan Features	Delta Dental of Washington (Delta Dental) Participating Dentists*	Non-Participating Dentists*
<b>Annual Deductible</b>	None	None
<b>Annual Maximum</b> <i>does not apply to essential pediatric dental care for children under age 18</i>	\$2,675	
<b>Class I – Preventive and Diagnostic</b> <i>includes oral exams, cleanings, bitewing X-rays, fluoride, and sealants</i>	100% of the participating dentists' pre-approved fee	100% of the non-participating dentists' allowable fee
<b>Class II – Basic Restorative</b> <i>includes fillings, stainless steel crowns, oral surgery, extractions, general anesthesia, surgery, occlusal guard (nightguards), and endodontics</i>	90% of the participating dentists' pre-approved fee	90% of the non-participating dentists' allowable fee
<b>Class III – Major</b> <i>generally includes crowns, onlays, partial or complete dentures or fixed bridgework, replacement of existing prosthodontic appliances and implants</i>	75% of the participating dentists' pre-approved fee	75% of the non-participating dentists' allowable fee
<b>Orthodontia for children through the age of 25</b> <i>Only dependent children through the age of 25 are eligible. If orthodontia work began before the dependent's 26th birthday, treatment after age 25 is not covered, whether the treatment is completed or not.</i>	70% up to \$2,675 lifetime maximum	
<b>Special Treatment Benefit</b> <i>Necessary dental services are covered for you and your eligible family members who experience deterioration of the teeth and gums directly related to radiation of the head, neck or throat.</i>	Class I, Class II and Class III services are covered as described above up to a \$10,000 lifetime maximum	
<b>Dental Accident</b>	100% of the participating dentists' pre-approved fee (up to the unused annual maximum)	100% of the non-participating dentists' allowable fee (up to the unused annual maximum)

\*Certain exclusions and limitations apply. See Covered Charges for specific dental benefits under this program.

---

This Plan's benefits are administered by the Board of Trustees with the assistance of Delta Dental of Washington.

To **find an in-network dentist**, view your benefits or dental claims, you can link to Delta Dental via the Trust's website [www.wateamsters.com/benefits/dental/](http://www.wateamsters.com/benefits/dental/)

Or call Delta Dental at **(800) 554-1907**

If you select a dentist in the Delta Dental PPO <sup>SM</sup> or Delta Dental Premier<sup>®</sup> network, you can lower your out-of-pocket expenses. Approximately 90% of dentists in the state of Washington are Delta Dental of Washington providers.
