

Delta Dental Family— Washington Family

Washington Family is a qualified dental plan tailored to meet the needs of adults and families. It offers preventive-focused coverage for adults (ages 19+) and comprehensive coverage for children* (ages 0 to 18).

Adult plan benefits include:

- > **100% coverage for exams, cleanings, x-rays and fluoride, with no deductible**
- > 50% coverage for fillings and treatment of gums, with \$50 deductible
- > \$1,000 annual maximum benefit per enrolled adult
- > No waiting periods

Pediatric plan benefits include:

- > **100% coverage for exams, cleanings, x-rays and fluoride, with no deductible**
- > 70% coverage for restorative services
- > 50% coverage for major services
- > \$85 deductible for restorative and major services
- > Low annual out-of-pocket maximums — you won't pay more than \$350 per child per year, limited to \$700 for 2 or more children
- > No waiting periods

Please view the summary of benefits for dental coverage for more information.

* A child can be your dependent until they are 26.

We also offer:

- > The largest dental network so it's easy to see your favorite dentist
- > Easy-to-use, secure online tools to help you understand and use your coverage
- > User-friendly website allows you to access personalized information on any mobile device or PC, anytime you need it
- > Hassle-free claims processing and helpful, local customer service representatives
